PROFESSIONAL SUMMARY

Compliance Analyst with 1+ year of experience in AML/KYC operations, due diligence reviews, and regulatory compliance. Expertise in conducting CDD/EDD reviews for US and EMEA clients with 98%+ accuracy, performing risk assessments, PEP screening, and sanctions checks using World-Check and LexisNexis. Strong knowledge of global regulatory frameworks (AML, KYC, FCC standards) with proven ability to manage high-volume compliance operations while meeting strict SLA deadlines.

WORK EXPERIENCE

Compliance Analyst | eClerx, Pune | *January 2025 – Present*

- Conduct 50+ Client Due Diligence (CDD) and Enhanced Due Diligence (EDD) reviews monthly for US and EMEA clients with 98%+ accuracy, ensuring adherence to global AML/KYC and FCC regulatory standards
- Perform comprehensive risk assessments, PEP screening, and sanctions checks using World-Check and LexisNexis, identifying and escalating high-risk cases to Compliance teams within SLA timelines
- Execute periodic rolling reviews of existing client profiles, ensuring ongoing compliance with evolving regulatory requirements and internal policies
- Collaborate with FCC and internal stakeholders to resolve compliance gaps, documentation deficiencies, and policy-related escalations, maintaining 95%+ on-time resolution rate
- Maintain detailed audit trails and compliance documentation, preparing quality review reports and regulatory summaries for management and audit purposes
